

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I'm subscribing to Dishnetwork services for almost 3 years and always had difficulties with their customer service. Plus their pricing is unfair already and can increase even further - if this merger is approved. I see this country principles are based on competeiveness and anti-monopoly and this merger is defenetely is not supporting these principles.
I am strongly against it.

Sincerely,
